BROWNING-FERRIS INDUSTRIES

EAST CENTRAL REGION

January 27, 1986

United States Environmental Protection Agency
Region II
26 Federal Plaza
New York, NY 10278

Attention: Alida M. Karas, Environmental Scientist
Site Investigation & Compliance Branch

Dear Ms. Karas:

In response to your letter of 13 January 1986, and subsequent site visit of 23 January 1986, the below listed information is submitted for your review.

1. Certification Report
Slurry Trench Cut Off Wall Construction
S. Brunswick Township Landfill
Remedial Action Plan
by Wehran Engineering
June 1984
2. Landfill Cover Study
BFI
S. Brunswick, New Jersey
by Woodward-Clyde Consultants
May 21, 1984
3. South Brunswick Landfill Cover Program
S. Brunswick, New Jersey
by Woodward-Clyde Consultants
April 8, 1985
4. South Brunswick Landfill Cover Program
S. Brunswick, New Jersey
by Woodward-Clyde Consultants
July 26, 1985
5. South Brunswick Landfill Cover Certification
S. Brunswick, New Jersey
by Woodward-Clyde Consultants
July 26, 1985

The certification report for the construction of the leachate collection system should be ready in a few weeks and will be forwarded to you upon receipt.

453900

The site is scheduled for aerial photography and topographic mapping as soon as weather permits. The topographic map will be forwarded to you upon receipt. This map will show the road and drainage as per your request.

A plan for testing the air quality at the site, as requested by Robert Harris of the South Brunswick Township, is being developed and will be forwarded to you upon completion.

The water table elevation maps depicting ground water flow, as you requested, are in the previously submitted hydrogeologic studies shown below:

Hydrogeologic Investigation
South Brunswick Landfill
S. Brunswick Township, New Jersey
by Wehran Engineering
June 1981

Final Hydrogeologic Investigation
South Brunswick Landfill
S. Brunswick Township, New Jersey
by Wehran Engineering
September 1982

Monitoring well construction details and the post-closure monitoring plan are included in the below listed report and engineering plans, which have been previously approved by the EPA.

Report:

South Brunswick Township Landfill
Remedial Action Plan
Addendum
by Wehran Engineering
September 1983

Plans:

Remedial Action Plan
South Brunswick Township Landfill
S. Brunswick, New Jersey
by Wehran Engineering
February 1983

U.S. EPA - Region II
January 27, 1986
Page 3

Ground water monitoring wells and gas monitoring wells will be installed upon verification from EPA that the plan is adequate.

If you have any questions or need additional information concerning this matter, please do not hesitate to contact me.

Sincerely,

David F. White
Regional Landfill Manager
